

50 LØBS CEREMONI

Du glæder dig i denne tid
Nu daler hvedemelen hvid
50 i dag du runder.
Hver uge du til hashløb går
Til luntetrav og humletår
Det fejres med en bunder

200 LØBS CEREMONI

(Opfundet af "skibumserne" 2005)
Her er GM's eleksir
Noget der i halsen svier
Drik nu det med velbehag
Nyd den eksplosive smag
Hvis du ikke siger ahhr
Bægeret igen vi ta'r.

75 LØBS CEREMONI - BOYS

Kneel Xxxx - the time has come
You sleazy, ugly, useless bum
On hash you waste most of you life
And now you're turning 75
Though bloody drunk you always were
Raise now as Xxxx, the Sir

75 LØBS CEREMONI - GIRLS

Kneel Xxxx - the time has come
You sleazy, ugly, useless bum
On hash you waste most of you life
and now you're turning 75
You're a drinker, but a hasher?
- well... maybe!
Raise now as Xxxx, the Lady

100 LØBS CEREMONI - BOYS

Kneel Sir Xxxx you sleazy bum
Today you turn your 100th run
You've been a drinker more than a
runner
And truly you haven't deserved the
honour
But I've no choice but to give the
award
Raise now as Xxxx, the Lord
Now take this holy staff of oak
And hold it proudly while you soak.

100 LØBS CEREMONI - GIRLS

Kneel Lady Xxxx you sleazy bum
Today you turn your 100th run
You've been a drinker more than a
runner
And truly you haven't deserved the
honour
Though it is a bleeding shame
Raise now as Xxxx, the Dame
Now take this holy staff of oak
And hold it proudly while you soak.
